**Use: ID Code 41830 (all donations will go directly toward
St. Thomas More -Durham contributions to the Appeal)**

This weekend we'll be announcing the beginning of the 2024 New Hampshire Catholic Appeal! Last year, our parish raised \$**31,105.00** for our shared ministries of the Church in NH. Our parishioners are wonderfully generous and more information on this year's NHCA is coming soon!

This year's New Hampshire Catholic Appeal is coming up in a few weeks; we hope you'll help us meet our parish goal! More information will be announced this weekend.

The NHCA strengthens our ministries that support our entire Church in New Hampshire. You may have already received your own NHCA letter from Bishop Peter Libasci. Like last year, we'll learn more about the ministries

supported at Mass next weekend and all are encouraged to learn more about the incredible programs and services your donation to the NHCA supports at www.catholicnh.org/nhca

Many of the ministries that we may benefit from in our parish, including Catholic Charities Community Services, Catholic formation, and Catholic education, are funded by the New Hampshire Catholic Appeal. Learn more and donate here:
