

STM HIGH SCHOOL YOUTH MINISTRY

is asking for your help with this special program event to support refugee teens of NH!

Help our teens as they raise awareness, funds, and goods for the homeless. This year's focus is on refugees in NH. Our teens will be sleeping overnight in cardboard boxes on Saturday, March 10 to Sunday, March 11 on church property.

Teens are collecting funds by asking for sponsors. Sunday morning, faith formation classes will visit to learn from the teens.

How can you help?

Volunteer: We need people to break down the boxes on Sunday, cooks, & chaperones.
