

UNH Campus Ministry FALL 2020- VOL. 3

Welcome to all new and returning students and parishioners!

As we are slowly and cautiously starting up a new year at the University of New Hampshire, we will not be having any in-person events for the Catholic Organization for the immediate future due to the unfortunate events of an over-sized gathering that occurred a couple weekends ago off-campus at UNH. We are sad to be limited to virtual meetings, but understand the importance of helping prevent the spread of COVID-19. If you have any questions or concerns regarding this please let us know.

In other news, this will also be my final weekend as Campus Minister here at St. Thomas More parish. In my time back at St. Thomas More I was welcomed with open arms by a wonderful, supportive parish community that I will not forget. I appreciate all of the individuals who helped support me, the students and most importantly those who are in need in our community. I will continue to keep you and your families in prayer going forward. If you would like to get in touch with me, please contact the office staff and they will have a way to forward information to me.

Stay safe and as optimistic as possible during these challenging times and above all hope and trust in God!

Peace,
Ryan Cornelissen,
Campus Minister, unhstm@gmail.com

11/1: Student mass

11/8: Student mass

11/15: Student mass

11/22: Last Student mass

Please do your best to adhere to the safety protocols at all times while at STM. For the time being, only immediate family members can sit closer than 6 ft apart in a pew. Also, we know you are excited to be back and to see one another, but please do not congregate outside after Mass. Building and community is so important to us at STM, but we must also sustain the health and well-being of our existing members. Thank you!
