

Thanksgiving Food Basket Drive

Thank you for your generosity! We plan to make and give at least 75 baskets to local families this season. Many will be patrons from our Food Pantry. Some are from our parish or school system. We also work with Sr. Helene to help many families through Catholic Charities. Turkeys are donated by the Rotary club and NH Food Bank. Food will be distributed in re-usable grocery bags and laundry baskets (you choose what to bring the food in).

Many ways to contribute

- ◆ Bring in individual food items by Sunday, November 12th
- ◆ Contribute everything needed for a complete dinner by November 12th
- ◆ Cash donations for vegetables. We find a lot of rotten fruits and vegetables toward the end of the drive so please only donate nonperishable food or cash. We will buy all the fresh veggies a few days before pick up.
- ◆ Help sort and count the donations on November 16th in the gym.

Suggested Items
