Medical Forms: Please list any special circumstances, needs, or allergies that the teacher should be made aware of. Also, please indicate if your child needs an epi-pen, inhaler, or other medical equipment on hand during class/event:

Photograph Permission:

Photographs are sometimes taken during Faith Formation sessions and events. They are displayed publicly; e.g., on the parish website, in the parish bulletin, in the newspaper, in a brochure, on bulletin boards, etc. and used to keep the community aware and informed of parish events and activities.

If you do not want images taken and used as described, please send a written notice to that effect to the HS Youth Ministry Coordinator at the address on the heading of this form.

Communication: The HSYM youth minister and other team members communicate with HSYM teen members verbally during sessions, in the weekly church bulletin, by email, text and Facebook. The Facebook is closed, private and administered by the HSYM youth minister. Email is the primary method of communication with parents. If you have concerns with these methods of communication or do not allow your child to use social media, please notify the HSYM youth minister. While all information is sent to parents, it is the expectation of this program that teens take responsibility for their faith formation and manage the information and their level of participation by communicating directly with the youth minister and other adult leaders.

Volunteering: While teens are expected to complete volunteer hours, this is a volunteer program which only exists by the volunteer work of the adult team members. We ask that, as parents, you consider and volunteer when asked and offer your time and talents to support the HSYM program and your teen's continued Faith Formation. Please contact the HS youth minister in you are willing to volunteer.
