

Coronavirus Prayer

God of all mercies, grant:

To our St. Thomas More Community, safety and health;

To those afflicted with COVID-19, healing;

To health care providers, strength and stamina.

To our leaders, wisdom and compassion;

To the dying, comfort;

To those who have died, eternal life.

To all people, strong faith in You.

To each of us, the grace of knowing we are doing Your will when we offer loving service to others.
