

Run for God 2021!

Does COVID-19 have you alone, isolated, feeling anxious? Do you wish you could get out more, meet new faith-filled friends but safely? Perhaps God is calling you to run/walk for Him!

A 12-week program, **Run for God** invites participants of all ages to gather each week for an hour of instruction, inspiration, and faith testimonies. The second hour is spent outdoors at a nearby business complex participating in the physical training portion. All mobility levels are supported and welcomed.

While the traditional RFG in-person session is currently full, please consider joining us remotely! The program will run January 30-April 17th. New participants can join via Zoom for the first hour (9-10am) and then meet us outside for the running/walking portion (10-11am). Please contact Molly Wade for details at mollywade@comcast.net. *Gotta run!*
